John - Eddie C. Laza (PhD.) – CEO
Daem Laza Foundation
Professional Engineers, Consultants & Contractors

INFRASTRUCTURE

With our timely and low cost method, Laza can utilize your Conceptual, Rough Grading, Preliminary, or Final Site Plan to provide detailed Cut, Fill, Import, and Export Volumes classified not only by soil type and suitability for fill, but also by site usage areas such as buildings & non-structural fill volumes.

STRUCTURAL

We offer the experience, expertise, & technical ability to develop successful projects by having clear understanding of the project requirements & constraints. Combined with our ability to work well with other disciplines this allows for the evolution of efficient & innovative designs which meets established schedules and goals.

PUBLIC SAFETY

Simply stated, we surround ourselves with quality people. We are professionals dedicated to fire prevention & fire suppression, services to protect people and assets. Our goal is to provide a safe working environment and develop a positive safety culture within our client's organizations.

OUR PEOPLE

Everyone says it, but in our case it's true: our team is the secret to our success. Each of our employees is amazing in their own right, but together they are what make LAZA such a fun and rewarding place to work. The LAZA team is a tight-knit, talented group with a shared vision of delivering consistently great results for our clients, as well as ensuring our work place is a fun, inclusive, challenging place to work and develop a rewarding career.

We're very proud of the team we've built – there's more than fifty of us now but it still feels like it did when there were just a few of us. LAZA has always been an organization defined by bringing together talented people with a shared vision and passion for helping us to be the best we can be for our clients. All of our employees are unique individuals who are united by a set of five core values that apply to everything we do within our company.

OUR MISSION

Be Bold: be proactive, make decisions, take responsibility, and try new things.

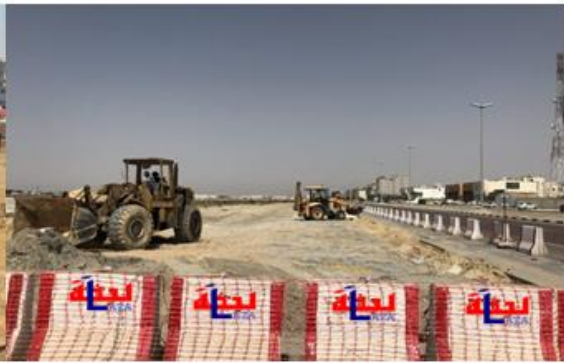

Be Curious: ask questions, do some research, learn new techniques; study our clients and their industries.

Be Together: play an active role in the team, support your colleagues, collaborate, have fun.

Be Connected: meet people, make contacts, build relationships, and see the bigger picture.

Be Better: look for ways to improve, challenge yourself, never stop learning, strive to be the best.

Building, developing, training, retaining and engaging the LAZA team is a daily commitment. We work hard every day to make sure that our people are supported and empowered to deliver exceptional results for our clients...

We unite around achieving the best results, upholding our values, and finding right solutions to be a partner of first choice for our clients. Our commitment to meaningful work is our cornerstone.
